## Dedication Bricks for Trinity's New Patio

Celebrating Our Past  
Building Our Future

Please join us in celebrating our past and building our future by purchasing a celebration paver dedication brick, commemorating people and ministries that have been a special part of the Trinity Presbyterian Church community.

With the many blessings we have to celebrate in Christ, there are an endless number of possible inscriptions. A few ideas include:

- Celebrating a birth or marriage
- Expressing gratitude for someone in the community
- Remembering a loved one
- Recognizing important contributions to Trinity
- Celebrating a ministry program
- Expressing a wish for our future

## Clanton Circle

As part of the campus improvement project, a special dedication area, Clanton Circle, has been created to recognize the contributions and involvement of the many people who have been part of this rich history. You can help us remember that history, celebrate our current efforts, and inspire our future with the purchase of a dedication brick for Clanton Circle.

Clanton Circle is the name given to the patio outside our new front door. This patio is dedicated to the memory of Ben Clanton, Trinity's Youth Director in the late 1970's – who died tragically young. Clanton Circle will feature a circular arrangement of paving bricks displaying inscribed dedication plaques.

Each dedication brick features a Celtic cross (like the ones in our sanctuary windows) and has room for a custom inscription up to 52 characters in length.

## Sample Plaques

*“Trinity was Elda’s family for 10 years. My siblings and I wanted to honor mom in a special way. She would be pleased to know that her memory is commemorated in such a beautiful plaque.”*  
 ~ Helen Dodds

*“Paving the way to recovery from addiction; our family would like to honor Hope House and their miraculous contribution to our community.”*  
 -- Tom Langenstein and Naomi Kitajima
